Suggestions to speed the claim & reduce costs

- Contact Ellis or the manufacturer before doing work
- Read the manufacturer's warranty coverage & terms
- Send photos of the failed parts and the repairs done
- Save the old parts until the claim is finalized
- Explain any claim for hours exceeding the flat rate
- Send complete information, here or on the work order
- Submit the claim within 30 days of the work

Note: Some manufacturers require all of these

Warranty coverage varies among manufacturers. Labor may not be covered or may be reimbursed at flat rates set by the manufacturer. The Dealer agrees to rely solely on the manufacturer's warranty and to extend the same to the customer. Ellis Equipment makes no warranty on machinery, but will submit the claim and credit to the dealer the credits received from the manufacturer. The Dealer agrees to pay for parts and repairs not covered by the manufacturer's warranty. The Dealer warrants the accuracy and truth of the information on this form and supporting documents.
